

Job title	High School Math Teacher
Reports to	Head of School

About the Organization

Hawthorn Leadership School for Girls is the first all-girls' public charter school in the state of Missouri serving students in grades 6-12. Hawthorn provides young women with the academic background, self-esteem, and leadership skills, with a focus in STEM, that will enable them to succeed in college and beyond.

Duties and responsibilities

The HS Math Teacher will be required to deliver lessons that develop students' theoretical and applied mathematical skills. You will also be responsible for assigning homework, grading assignments and quizzes, and documenting students' progress.

Duties and Responsibilities:

- Commitment to school wide classroom and cultural expectations.
- Actively engage in school wide expectations for instructional planning including lesson plan unpacking and internalization. Use assessment data to refine curriculum and inform instructional practices
- Participate in all school wide planning, grade level activities and academic meetings related to student progress.
- Execute high quality instruction to middle school girls to facilitate growth and progress towards mastery of academic standards.
- Utilize a variety of instructional strategies based on the diverse needs of all the students that engage all students.
- Candidates are also committed to:
- Collaborating with all members of the school team regarding academic and non-academic initiatives.
- Spirit of continuous improvement and positively responding to feedback when given by members of the school team.
- Communicate with school administration, families and students on an ongoing basis.
- Focused commitment to equity and serving young girls from underserved communities.
- Create a positive learning environment where all students can learn and achieve at their highest level of academic achievement

Other duties as assigned.

Qualifications

- Hold appropriate content area certification for the state of Missouri.
- Proficient in teaching mathematics at a high school level
- Desire to teach in an all-girls school.
